1. Introduction

How was the Plan prepared?

1.1.1. Barmby Moor Parish Council decided in 2015 to prepare a Neighbourhood Plan to influence the future development of the Parish. The Neighbourhood Plan has been produced by a Neighbourhood Planning Steering Group including Parish Council members and community volunteers, and with the help of East Riding of Yorkshire Council. The development of the plan involves the following stages:

- Stage 1: Getting started
- Stage 2: Identifying the issues to address in the Neighbourhood Plan
- Stage 3: Develop a vision and objectives
- Stage 4: Generating options for the draft Neighbourhood Plan
- Stage 5: Preparing the draft Neighbourhood Plan
- Stage 6: Consultation and submission
- Stage 7: Independent examination
- Stage 8: Referendum and adoption

1.1.2. Stage 1 included defining the area that the plan was to relate to. This step has been completed and included a six-week public consultation period. East Riding of Yorkshire Council confirmed in March 2016 that it had approved the Barmby Moor Neighbourhood Plan designated area.

1.1.3. As a Neighbourhood Plan is a plan for the community it must derive its objectives, actions and authority from the Community.

1.1.4. The Parish Council led the process required for the preparation of the plan, including submission of relevant applications and the key activities of communication and consultation. The Plan has been prepared by residents and members of Barmby Moor Parish Council working as part of a Neighbourhood Planning Steering Group with support from East Riding of Yorkshire Council. Communication has included regular reporting on progress at Parish Council meetings, updates on the Parish Council website and in communications in the Parish Magazine.

1.1.5. The process has involved several key steps:

Designation and Raising Awareness

1.1.6. Barmby Moor Parish Council agreed at its Parish Council meeting held on 27th July 2015 that it would be beneficial for the community to have a Neighbourhood Plan. An announcement was made on the Parish Council's notice boards and website, and in the Parish News Magazine (delivered free to every household and business in the Parish) inviting anyone interested in being part of the team producing the Plan to get in touch.

1.1.7. After, further research on the mechanics of producing a Plan and a meeting with East Riding of Yorkshire Council Forward Planning, Barmby Moor Parish Council formally agreed at its Parish Council meeting held on 30th November 2015 to begin producing a Plan. A steering Group was created comprising five Parish Councillors and one Barmby Moor resident who had responded to the request for people to join the team.

1.1.8. The Barmby Moor Neighbourhood Area was formally designated by East Riding of Yorkshire Council on 22nd March 2016 following a period of public consultation from 1st February 2016 to 14th March 2016.

1.1.9. The Steering Group has remained constant throughout the development process and was joined by a further Parish Councillor who became a Councillor on 25th January 2018.

1.1.10. Since its inception, the Steering Group has held regular meetings, and has received advice and assistance from East Riding of Yorkshire Council Forward Planning.

- 1.1.11. Residents and businesses in the area have been continually made aware and kept informed with information and documents published on the Parish Council’s website, on the Parish Council’s notice boards, in the Parish News Magazine (delivered free to every household and business in the Parish), in the local press, and on East Riding of Yorkshire Council’s website. Presentations have also been made to the public at the Parish Council’s Annual General Meetings. Through all these channels requests have been made for anyone interested in helping to produce the Neighbourhood Plan to be part of the Steering Group.
- 1.1.12. A six-week consultation process began on 1st September 2018. A draft copy of the proposed Neighbourhood Plan was published on and made available for download from the Parish Council’s website, and hard copies made available at the Parish Clerk, the Boot & Slipper public house, Barmby Moor Post Office and Barmby Moor Village Hall.
- 1.1.13. Consultation events were held on alternate Saturday lunchtimes and Monday evenings at the Boot & Slipper where local residents and business were invited to attend, examine the proposed Plan, raise or discuss items with, and ask questions to the Steering Group members.
- 1.1.14. The consultation events were publicised in advance in July 2018 on the Parish Council website, on Parish Council Notice Boards and in the August edition of the Parish News magazine.
- 1.1.15. Seventeen residents attended the consultation meetings. A record of the questions and answers, suggestions and comments made are detailed in Appendix 7. Each item has been considered by the Steering Group and the previous draft Neighbourhood Plan document amended where necessary or appropriately to incorporate the results of the consultation.

Consultation and Evidence Gathering

- 1.1.16. The initial form of consultation comprised a questionnaire created by the Steering Group sent out and made available to all those living and working in our Neighbourhood Area.
- 1.1.17. The questionnaire included the statement: “You are telling us what is important to you and helping us produce the policies appropriate for our community. Together we are creating our vision and our guide for the future of our community over the next twenty years.”

- 1.1.18. The questionnaire was sent out at the beginning of June 2016 and the deadline for return was on 15th July 2016.
- 1.1.19. One-thousand copies of the questionnaire were printed, some six-hundreds of which were delivered directly to households and businesses as an accompaniment to the “Parish News” magazine. Additional copies were made available for collection from the Parish Clerk, the Boot and Slipper public house, the Post office and Hewson and Robinson petrol station. It was also available to download from the Parish Council’s website at www.barmbymoore.net and could be requested to be sent by email from the Parish Clerk.
- 1.1.20. Several options for returning were set up, including ‘Ballot’ boxes provided at the Post Office, Boot and Slipper public house, Hewson and Robinson petrol station, the village hall, the local Primary School and the Parish Clerk. Completed questionnaires could also be sent by email to the Parish Clerk.
- 1.1.21. A total of 193 completed questionnaires were submitted.
- 1.1.22. The questionnaire requested anyone living or working within the Neighbourhood Area to complete the questionnaire. However, in almost all instances only one questionnaire was returned per household. It is therefore reasonable to assume that the completed questionnaire represented the views of the household and not just an individual. On this basis, the response rate is approximately one-third of households in the Neighbourhood Area.
- 1.1.23. In September 2016, returned questionnaires were randomly distributed to members of the steering group who digitized the responses into an Excel template created specifically for the purpose. These were then combined into a master spreadsheet providing a single analysis of all the results, which was used to produce the document ‘Barmby Moor NDP Questionnaire Results’ published on 17th April 2017 (A copy of the document is included in Appendix 4).

Presentation of the Questionnaire Results

- 1.1.24. The community was informed of the Questionnaire Results document in the Parish News magazine and invited to download a copy from the Parish Council's website or to request a hard or electronic copy from the Parish Clerk. A hard copy was also made available for people to read in the Boot and Slipper public house.
- 1.1.25. An oral and visual presentation of the questionnaire results was given to members of the public at the Parish Council's Annual Meeting held on 20th April 2017.
- 1.1.26. At the end of the presentation the community was encouraged to provide comments, suggestions and feedback and invitation made for anyone interested in helping develop the Plan to join the Steering Group.

Draft Plan Creation

- 1.1.27. Following the initial consultation, the Steering Group proceeded through stages 3, 4 and 5 and produced a draft Plan document utilising the results of the community consultation and information from discussions and engagement with East Riding Council. The vision and objectives take into account higher level planning policy, as required by the Localism Act.
- 1.1.28. The questionnaire included questions to determine demographics, and sought views on housing, employment opportunities, the conservation area, the countryside, local green spaces, environmental issues, traffic management and transport links, local landscape and wildlife and community well-being and involvement. Respondents were also invited to add their concerns and/or views on other subjects important to them. The results of the questionnaire are included in Appendix 4.
- 1.1.29. The main outcome for the questionnaire was the very positive attitude towards the existing village of Barmby Moor. 94% of the respondents to the questionnaire identified Barmby Moor Parish as a peaceful and safe neighbourhood, 89% valued the unspoilt countryside, 88% valued the community and its spirit and 87% valued the pleasant physical environment.

Quote from a community consultation respondent.

“Last week, at about 9pm on a beautiful, sunny evening, I walked from the X46 on the main road, through the Green and churchyard. There were very few people about, the birds were singing, and I thought how lucky I was to live in such a lovely place!”

1.1.30. Essentially, the Plan provides a vision for the future of the Parish, agreed by residents, businesses and interested parties following extensive consultation. It sets out our Parish objectives, together with the policies required for their realisation.

1.2 What is your connection with the Parish?

Of the 193 returned questionnaires, two did not answer this question. Of the remaining 191 virtually all respondents live in the Parish. Several respondents, apart from living in the Parish, also have a combination of work, business and landowner connections to the Parish. Only one respondent has just a work and business connection to the Parish (Figure 2).

1.3 Which of the following are important to you?

The vast majority of respondents consider the following identified items to be important to them (Table 2): 181 people identified a peaceful and safe neighbourhood (94%), 172 people value the unspoilt countryside (89%), 169 for the community and its spirit (88%) and 168 for pleasant physical environment (87%). Over two-thirds consider a good bus service as important (73%). Around half of respondents consider that having the right housing and local employment opportunities available are important.

1.4 Are there any other items not listed in Question 1.3 that are important to you?

Although 38 people (20%) suggested the following 10 items as important, it should not be considered that these are not also important to other people. It is just that these have been identified as additional items to those in question 1.3. All comments have been summarised in Figure 3.

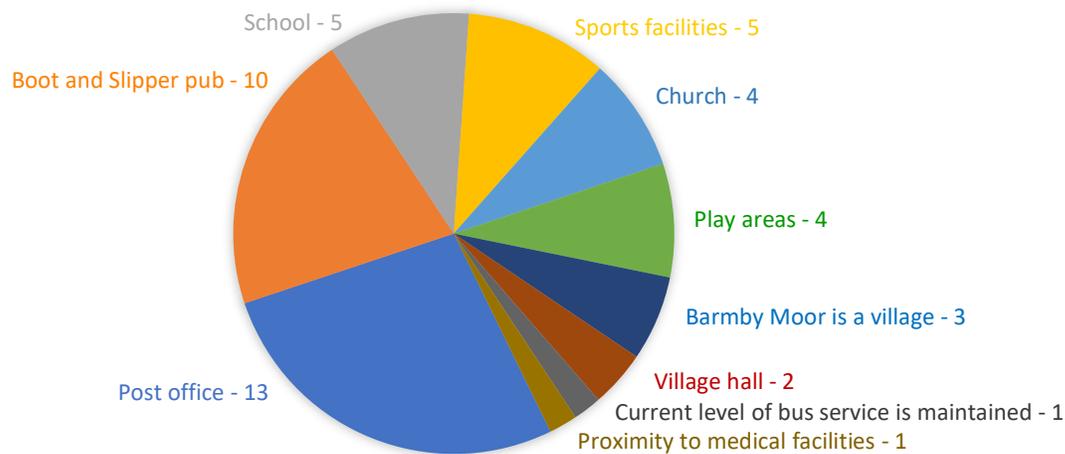

Figure 3: Other suggested important items of Barmby Moor

2. Demographics

2.1 To which age group do you belong?

According to the Census 2011 data, in 2011 Barmby Moor had a population of 903 residents. The age group of the national statistic differ slightly from the age groups set in the questionnaire (0-17, 18-24, 25-44, 45-69¹¹, 70-84, 85+). From the 193 responses 3 people did not give their age group. The main group of people replying to the questionnaire was from the age group 50-69 years with 97 people (51%) followed by 51 people (27%) from the age group 70-84 years (Figure 4).

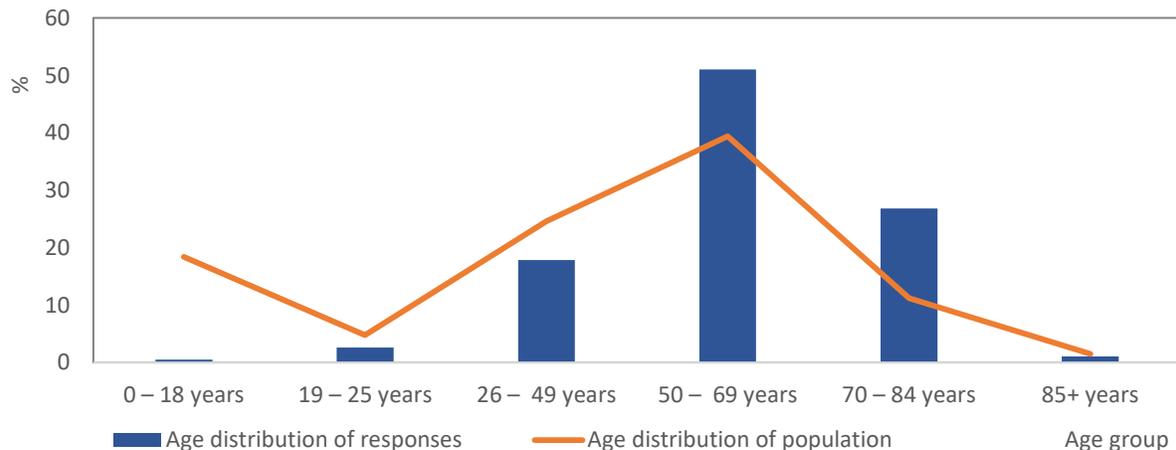

Figure 4: Age distribution of respondents of the Neighbourhood questionnaire in comparison to the age distribution of residents in Barmby Moor

¹¹ The census data 2011 only records the age group 65-74. For comparison with the age group of the questionnaire, this age group has been evenly distributed between the age groups 50-69 and 70-84.

3. Gap between Pocklington and Barmby Moor

3.1 Do you agree that the physical separation of Pocklington and Barmby Moor is important and should be maintained?

This question had a very high response rate with 191 residents (99%) answering this question. Only 2 residents (1%) responded with no opinion. Of these 191 people, 174 think the gap between Pocklington and Barmby Moor should be maintained, whereas only 17 disagree with this strategy (Table 3).

Table 3: Gap between Pocklington and Barmby Moor

Yes		No		No opinion	
Nr	%	Nr	%	Nr	%

4. Street naming

4.1 Barmby Moor Parish Council has a policy of naming new streets after and in remembrance of a person who gave his or her life in service to this country. Do you agree that this policy should be continued?

Similarly, to the previous question, there was a high response rate to this question. Only 12 residents (6%) responded with no opinion. The minority of responses, 24 (12%) disagree; 157 (82%) of the residents support the policy of the Parish Council about street naming (Table 4).

5. Housing

5.1 Would you like to see more than new single houses built within the village?

A majority of respondents (48%) would not like to see more than new single houses built within the village, while a significant number (38%) would. A total of 38 residents (20%) did not answer this question, which has been taken to mean that they had no opinion on this matter

Table 5: New single houses built within the village

Yes		No		No opinion	
Nr	%	Nr	%	Nr	%

5.2 What types of new homes do you think are needed in our village?

From 193 questionnaires 12 people did not answer this question at all, which has therefore been classified as “no opinion”. Of the remaining 182 residents, 63 people are against additional housing in Barmby Moor while 109 people would welcome new homes. Rather puzzlingly, of the people answering with “no additional housing needed” nine still identified the types of houses needed (Figure 5).

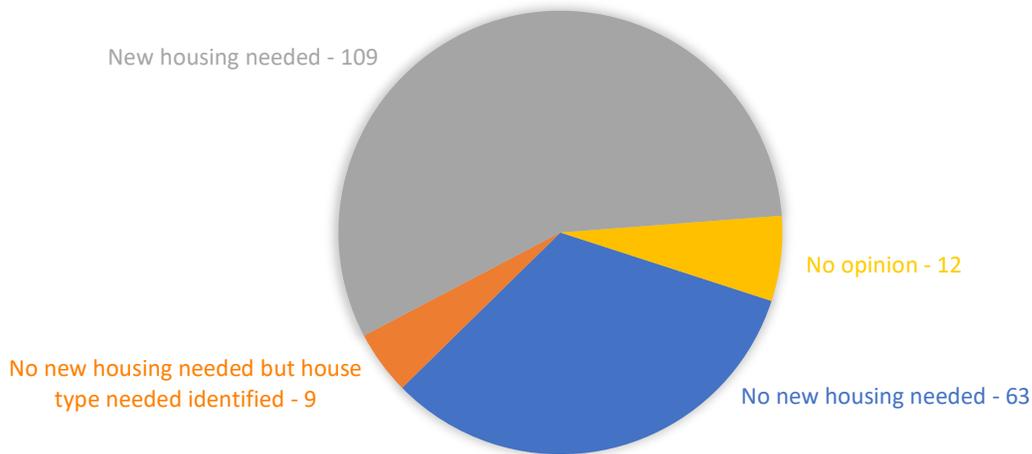

Figure 5: Need for new houses in Barmby Moor

Of the people identifying the need for new housing, the majority favour semi-detached/terraced houses (2 or 3 bedrooms), with a lesser but still significant amount identifying bungalows and eco-homes as being required (Figure 6).

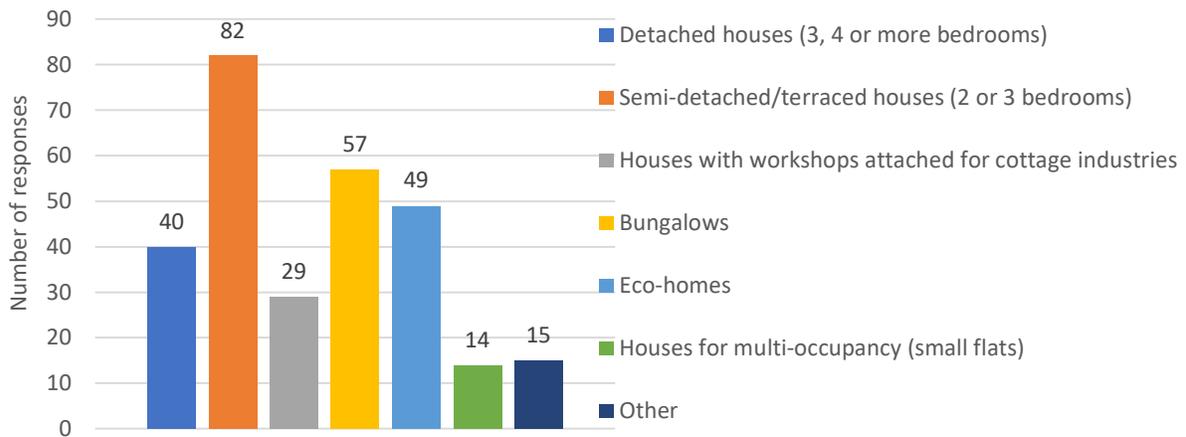

Figure 6: Identified needed types of houses in Barmby Moor

(Other: 15 people suggested other types of new housing as being needed in Barmby Moor, Figure 7 identifies these suggestions with their frequency)

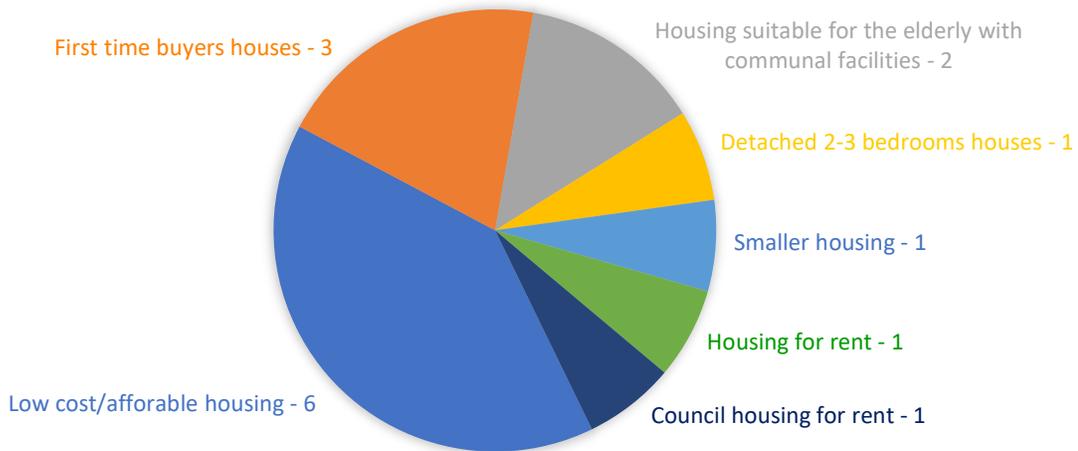

Figure 7: Other types of suggested housing needed in Barmby Moor

5.3 Do you feel that there is a need for affordable housing developed by a housing association especially to meet the needs of those households in the local community who cannot afford to buy outright or rent privately?

Only 17 residents (9%) did not have an opinion on this. Of those that did respond 43% see the need for new affordable houses, while 48% are against it (Table 6).

Table 6: Need for affordable housing

Yes		No		No opinion	
Nr	%	Nr	%	Nr	%

5.4 If you answered 'Yes' to Question 5.3, please tell us what type of affordable housing you think should be developed?

This question was calculated on 91 answers, with 83 "Yes" answers from question 5.3 with respondents who just answered question 5.4 also included.

The results show that people who would like more affordable housing in the village would firstly like starter homes, secondly followed by shared ownership and thirdly by affordable housing for rent (Table 7). Most people also favour two of the affordable housing types (31-people). Only 27-people ticked one of the options and only 23-people welcome all versions of affordable housing.

	Nr	%
Affordable housing for rent	43	27
Shared ownership (part rent/part sale)	52	33
Starter homes (homes for sale at a 20% discount)	63	40

6. Employment

6.1 Do you think there is a need for more employment opportunities in our Neighbourhood Area?

The responses to this question were nearly equal in number; 90-people (47%) see a need for more employment opportunities while 88-people (45%) do not see a need for it. Only 8% of people did not reply to this question (Table 8).

Table 8: Need for more employment opportunities

6.2 If you answered 'Yes' to Question 6.1, what size of business?

More people answered this question than would be expected from question 6.1, with 92 answers received. Of these 92 people, 50% favour small business with 1-5 employees, 35% favour medium business with 6-20 employees and 14% large business with 20+ employees (Table 9).

Table 9: Size of business

	Nr	%
Small (1-5 employees)	77	50
Medium (6-20 employees)	54	36
Large (20+ employees)	22	14

6.3 If you answered 'Yes' to Question 6.1, what sector of business do you think should be encouraged?

The questionnaire allowed multiple responses to this question with 94 responses in total. There was a clear tendency of people preferring one or two sectors of business with a decreasing number for all suggested sectors. Of the 94 responses, people would firstly like to see agricultural and related industries, followed by IT and new technology, manufacturing and then retail (Figure 8).

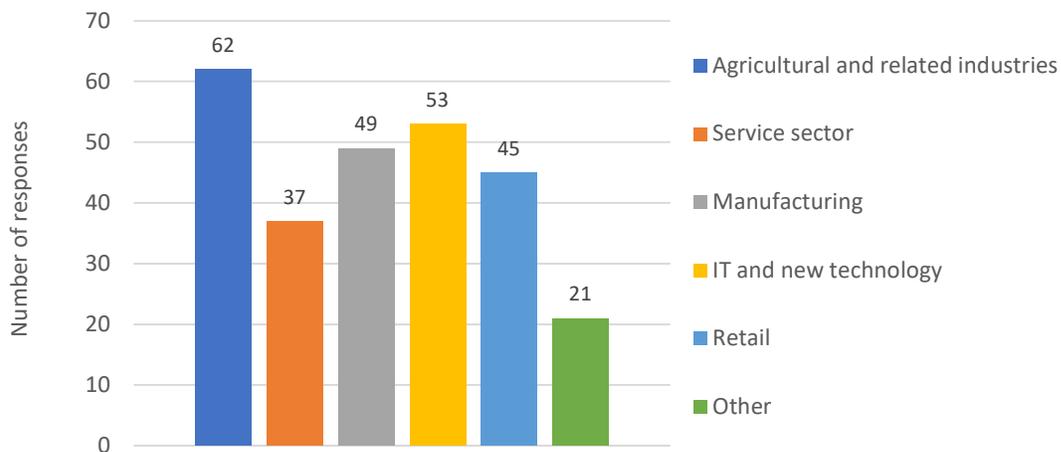

Figure 8: Sector of business

In the "Other" category, 21 additional comments and general suggestions have been made. These include that people like all manner of business, setting-up of a cottage industry, a village shop and a café. Also, some people did not directly answer the question, but mentioned that they do not mind the type of business so long as it is located in the Pocklington industrial estate. A few answers given are not seen as related to the question.

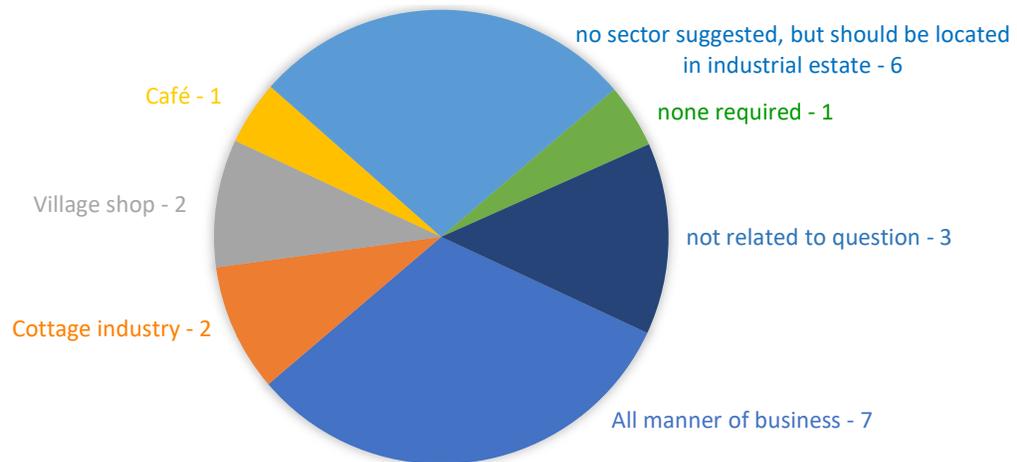

Figure 9: Suggested sectors of business

7. Village Shop

7.1 Would you like to see and would you support a village shop in Barmby Moor?

The village shop was widely supported by respondents with 84% answering yes, 11% showed no interest in a village shop and 5% did not answer this question (Table 10).

8. Conservation area

8.1 Do you agree that the character/identity of the conservation area should be protected?

The result of this question show clearly that residents would like to keep the character/identity of the conservation area with 89% agreeing to the protection plan. A small minority of 3% disagree with 8% of no opinion (Table 11).

Table 11: Conservation area

Yes		No		No opinion	
Nr	%	Nr	%	Nr	%

8.2 What features of the conservation area do you think are important?

A high response rate with 188 respondents answering this question. The most important features being identified as the existing stream (180) and existing open spaces, greens and wide grass verges (175) (Figure 10).

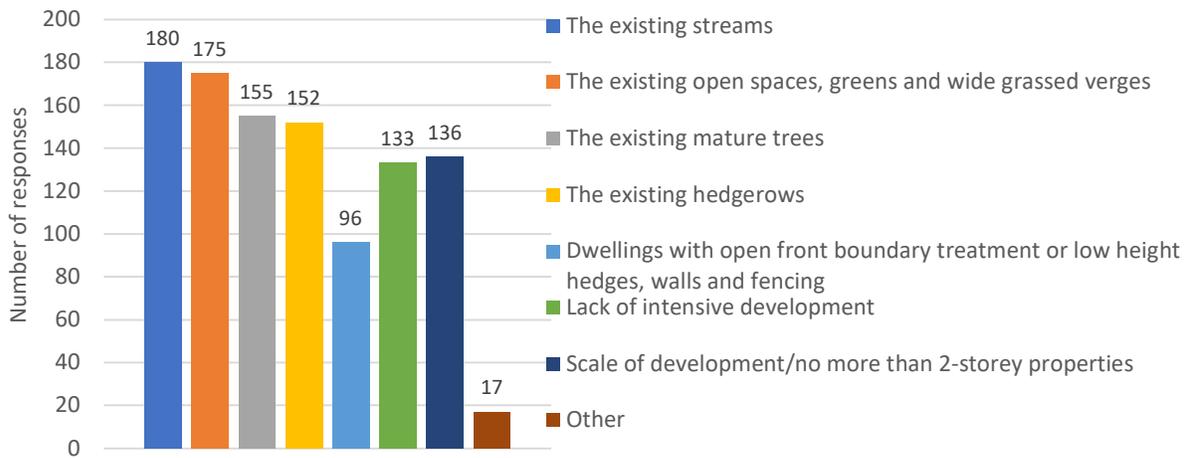

Figure 10: Important features of the conservation area

Under the “Other” category, the following features of the conservation area have been suggested by respondents as being important: (a) good management of existing stream, open spaces, greens and wide grass verges, existing mature trees and existing hedgerows, (b) preservation of the village wildlife areas, (c) no infill areas to be overdeveloped with multiple housing and (d) close check on building extensions.

9. Countryside

9.1 Are you aware of any need for any development in the countryside around the village that is needed to maintain the vibrancy of the village?

The majority of respondents, numbering 138, do not see a need for any development around the village to maintain its vibrancy (72%). Only 24 respondents (12%) do think there is a need for development, and 31 (16%) had no opinion on this topic (Table 12).

9.2 If you answered 'Yes' to Question 9.1 please state what development you consider is needed and where this could be located.

A total of 27 people answered this question, which is more than expected from question 9.1. Some of the answers had more than one suggestion and was therefore counted under different categories which resulted in a total number higher than 27. The answers given are shown in Figure 11.

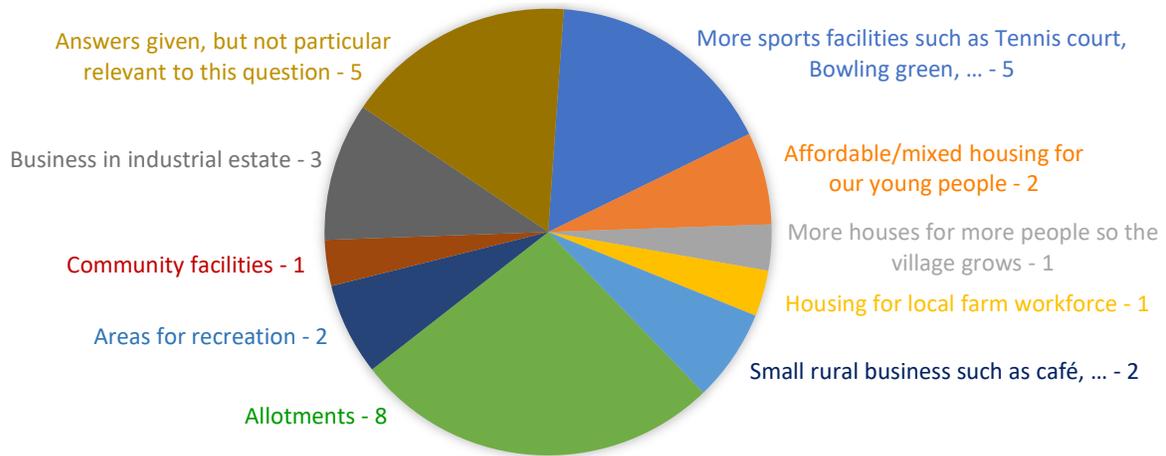

Figure 11: Suggested development to maintain vibrancy of Barmby Moor

10. Local green spaces

10.1 Would you like to see the current 'Open Spaces' in Barmby Moor designated as 'Local Green Spaces'?

The majority of respondents, 80%, would like to see the current 'Open Spaces' in Barmby Moor designated as 'Local Green Spaces'. Only 12% are against this and 7% had no opinion on this topic (Table 13).

Table 13: Open spaces

10.2 Are there any other open spaces close to the community they serve that you consider would qualify as and benefit from 'Local Green Space' designation? Please identify the location of the space and state why you consider it to be special to the local community.

A total of 30 people replied to this question. The locations stated are shown in Figure 12.

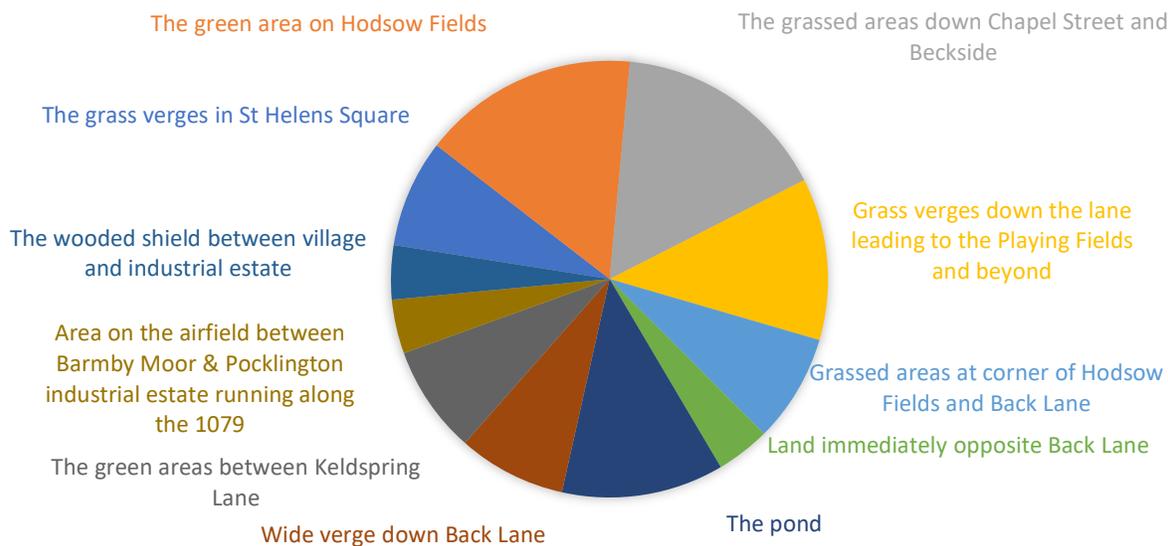

Figure 12: Suggested sights for open spaces

(Three people suggested the paddocks surrounding the Manor and two people suggested the land between the pond and Back Lane as qualifying as benefiting from 'Local Green Space' designation but these have been discounted as the land is privately owned.)

11. Reducing the risk of environmental damage/Renewable energy development

11.1 Do you think we should include provision in the Neighbourhood Plan for the following?

A total of 173-people answered this question (Figure 13). Several respondents provided comments in the 'Other' section as detailed below.

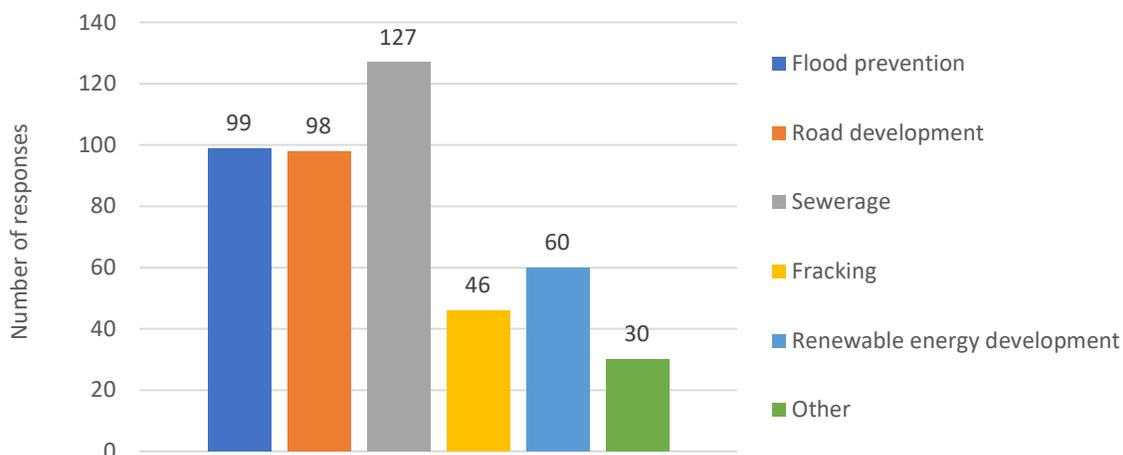

Figure 13: Environmental provision we include in the Neighbourhood Plan

Under 'other' all together 33 comments have been made. They are not directly offering new options for which provisions should be made in the NDP. The comments are about the local situation and are mostly related to topics 1 to 5. From the comments, 3 have been about flood, 7 about road development, 3 about sewerage, 14 against fracking, 1 about renewable energy and 6 about the road/traffic situation within the main village. A separate group with 4 comments included what people would like/suggest, 3 of which can be counted under renewable energy and 1 under flood prevention.

Other community aspirations

12. Traffic management and transport links

12.1 Do you think Barmby Moor needs an improved bus service?

A majority of residents (64%) are pleased with the existing bus service and do not think it needs improvement. Nearly a quarter (23%) would like to see an improved bus service for the Parish and a smaller number (13%) having no opinion on this topic (Table 14).

Table 14: Bus service

Yes		No		No opinion	
Nr	%	Nr	%	Nr	%

12.2 Do you think road safety needs to be improved in any of the following areas?

There were 173 respondents to this question. The main concern was the speed of traffic and the road condition within the Parish. Under the “Other” category the following areas of road safety have been suggested as needing improvement: volume of traffic, dropped kerbs, hedges imposing on footpaths and the set-up of barrier/kerbing to discourage vehicular access on greens and fields.

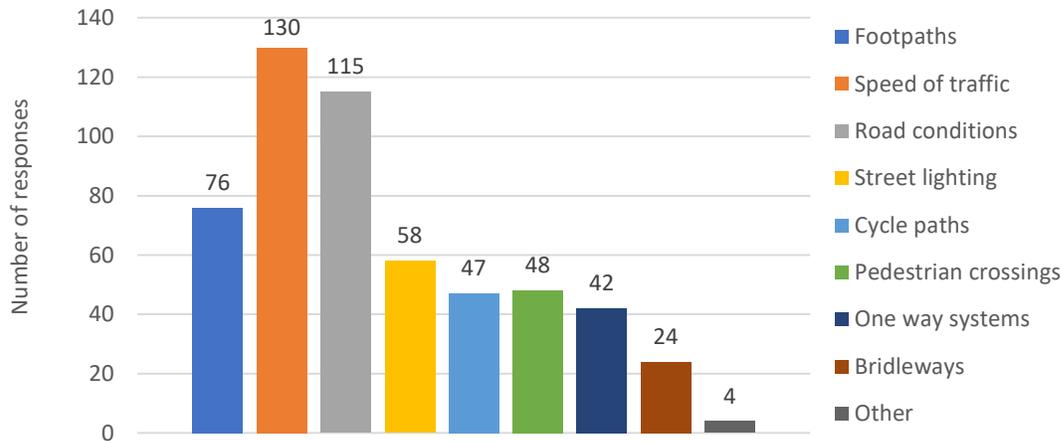

Figure 14: Road safety

12.3 Do you think that the A1079 in our area needs improving?

The A1079 and its connection with Barmby Moor led to a high response rate to this question; 95% of residents answered this question. The majority at 60% identified that the A1079 needs improvement, while 35% did not (Table 15) and 9 respondents (5%) held no opinion.

12.4 If you answered ‘Yes’ to Question 12.3 please state what you think these improvements should be:

A total of 118 comments have been made in relation to this question. Many of them have were not directly related to the question. The more related answers have been summarized and the results are presented in Figure 15.

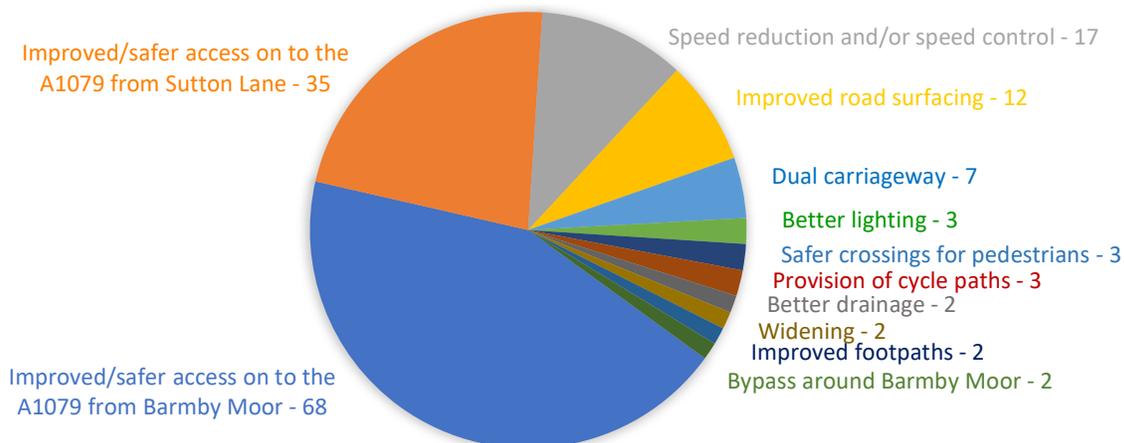

Figure 15: Road improvements

12.5 Do you think that there are any car parking issues in the village that need addressing?

This question was answered by 94% of residents. The topic of parking seems to be a major issue within the Parish with 62% of residents concerned about parking and only 32% responding they think there is no issue. (Table 16).

12.6 If you answered 'Yes' to Question 12.5 please state what you think the specific issues are that need addressing?

A total of 117-people made comments to this question. Comments have been summarised and presented in Figure 16.

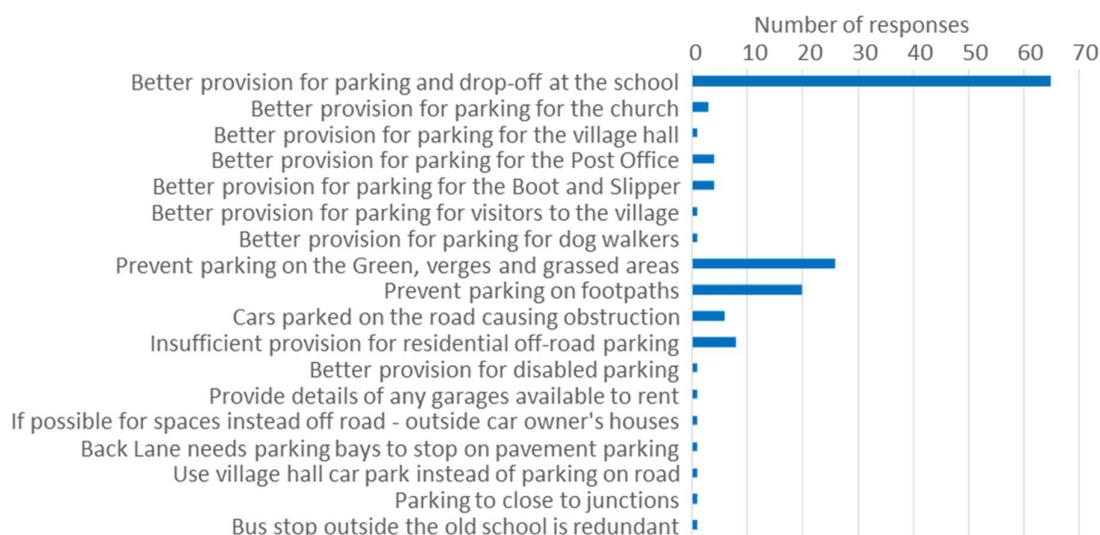

Figure 16: Car parking issues identified as needed addressing

Apart from around the school where car parking has been identified by respondents as causing particular problems, the following areas have also been mentioned (Figure 17).

13. The local landscape and wildlife

13.1 Barmby Moor has three wild life areas (the village green to the south of Beckside, the south east corner of the grounds to St Catherine’s Church and the Calley Heath Nature Reserve situated adjacent the A1079 at the north-west of the Parish boundary. Are you aware of these?

A high percentage of 70% of residents support the existence of the local wildlife areas in the Parish, with 26% of residents against the local wildlife areas for various reasons. Only 5% of residents did not reply to this question (Table 17).

Table 17: Wildlife area

Yes		No		No opinion	
Nr	%	Nr	%	Nr	%
134	69	50	26	9	5

13.2 Do you have any comments you would like to make about these existing wildlife areas?

There were 43 positive comments about the existence of wildlife areas. They value the biodiversity it brings, mention the importance to bees and the existence and developing of wild flowers but also the educational value to children to see a managed area of land return to the wild.

Conversely, 8-people clearly are against the wildlife areas in the village, their main concern being the look of the area. Another group of 13-people are not directly against them but don't like their current appearance. It was also mentioned that no signs exist and management plans are not available to the public. Of these, one person commented that signs must be bigger to be of any value.

The Calley Heath Nature Reserve, managed by the Yorkshire Wildlife Trust, received less comments, two clearly positive and one negative comment. A few people complained about the management and eight people were not aware of its existence.

Comments also included reference to good management, the long-term existence of the wildlife areas and the encouraging of residents in the village to get involved with supporting the wild life areas.

13.3 Should we encourage more wildlife areas in the village?

The majority of residents at 54% would like to see more local wildlife areas in the village, 31% do not see the need for more wildlife areas, and 15% of residents had no opinion on this topic (Table 18).

Table 18: More wildlife areas

Yes		No		No opinion	
Nr	%	Nr	%	Nr	%
105	54	60	31	28	15

13.4 If you answered ‘Yes’ to Question 13.3 do you have any specific suggestions where these wildlife areas could be located?

This question received 51 written comments, of which some had more than one suggestion. Figure 18 shows the distribution of the answers.

Under the “Extend or join up existing areas” section all comments referred to allowing the existing Beckside area to extend to the church thereby providing a link / wildlife corridor. The “Other grass or village green areas” included suggestions about village greens on Main Street, areas around trees on Main Street, the area between Back Lane and the pond, around the pond or the area between Briarsfield and Keldhome. “Linear features” mainly include the lane down to the playing fields and beyond, and verges or hedgerows around the village. The pond refers to the one at the village end towards Pocklington, and the bog the one at the corner of Keldspring Lane.

The Beck itself was mentioned as being a core element of the village that should be protected and enhanced with its wildlife potential developed. Other “Specific areas” include the area to the left of Keldspring Lane just passed the new development, the areas of woodland in the field just outside the village to the east on the right hand side between Barmby Moor and Pocklington and the A1079 opposite the Industrial Estate, the woodland at Briarsfield and the idea of a new environmentally managed path connecting the main village with Barmby Moor Common. “Other general areas” were to encourage any new developments to embrace the wildlife around us, allotments with a wildlife boundary and overall more small areas should be set aside as wildlife areas in a rural area. “Other general area(s) as educational projects” include two comments, one not giving an area just mentioning a smallish area for children to maintain as a school project and the second directly locating a similar area on the school grounds. The category of “Other comments” include a lot positive comments about wildlife areas and their essential need to pollinate flowers and crops and reflect the beauty of the countryside. Only one comment referenced the existing wildlife areas within the village causing friction.

(The Manor grounds were suggested as possible wildlife areas but this have been discounted as the land is owned privately.)

13.5 Are there any areas of the landscape within our Area that you feel need improvement?

In a similar fashion to question 13.4, 51 written comments are made to this question. Some of the comments included more than one topic, lots of the comments are not directly about the landscape but instead about general appearance. According to the given answers, people feel that nearly all areas within the parish need improving. Comments have been made about the maintenance of footpaths, village greens, grass verges, hedges and trees throughout the village, road surfaces within the village, roadside rubbish, the look of the village entrance, the look of the two houses next to the post office, the old school building and the area around the school. The Beck itself was mentioned as well as the pond. Two suggestions have been made about more wildlife areas, such as in the play park for education or the area to the left-hand side of Keldspring Lane. There were two comments that more hedges and trees should be planted as a number of trees have been taken down recently. There were 8 comments not related to the question and 5 respondents do not see any areas in need of improvement.

14. Community well-being/involvement

14.1 Do you think there should be an increase in provision of any of the following events?

The question received 143 responses. Most residents would welcome more whole village events but also to be more informed about upcoming events (Figure 19).

Under the "Other" category, some specific suggestions have been made but also a fair amount of general comments and complaints. Direct suggestions included bonfire night celebrations, aerobic classes, Tai Chi and well-being classes, bands, Easter egg hunt, baby and toddler group and events for the whole family. Some of these suggestions already take place in the village, such as the baby and toddler group in school. The comments and complaints could be summarized as: there should be more activities for young people in the village but also that they should get more involved in the community. Also, a "Befriending service" to ensure lonely or vulnerable residents are included in village life and the community was suggested. Further comments include that an existing activity had to close through lack of support, but that people who actually make the effort to organise activities should be supported more and not be criticised.

14.2 If you would like to make any specific suggestions relating to your answers to 14.1 please write them in the box below:

This question received 24 responses. Of these, some of them are specific suggestions for events, while others are general suggestions or complaints. The specific suggestions are shown in Figure 20 and partly contain suggestions already made for events from question 14.1.

Under the “Public talks” category, topics such as bridleways, footpaths, conservation area and the Calley Trust have been mentioned. Under “Activities that bring residents together”, allotments, crown green bowling, tennis courts, play park, a village scarecrow or wheely-bin competition have been mentioned. General suggestions commented that more volunteers to organise events are needed and that people should be more encouraged to join in, especially the elderly and people living alone. Comments were also received on the need for better information about events, either by regularly leaflets, email or even more direct approaches. The playing field was another topic; it was suggested that this should be used more widely, and the playing field committee should organize events to fundraise money for the village. The fair was also mentioned, that it was not taking place this year and the Barmby Moor feast is on the same day as Bishop Wilton Show.

15. Your Village, Your Parish!

15.1 Is there anything you wish to mention that you particularly like about the Village or Parish?

Comments particularly about what was liked about the village or parish totalled 107. Common themes included that it is a lovely, beautiful, safe, peaceful and unspoilt place to live, with friendly people, a good sense of community, and had good facilities in the Boot and Slipper pub, the post office, the church, the village hall and the sports fields. The open spaces, the village greens, becks and the surrounding countryside were considered attractive and important features that must be maintained. The annual Feast is an important event for the village and its community. The importance and appreciation of the Boot and Slipper pub and the facilities and events it provided to the village were mentioned several times; described as a real asset and the hub of the community.

15.2 Is there anything you wish to mention that you particularly dislike about the Village or Parish?

This question received 86 comments, often making more than one point. The total number of comments is therefore higher than 86. The main topics people raised were: traffic, parking, condition of roads, footpaths and buildings, environmental issues and missing facilities.

Most responses were about the traffic, 20-people complained about the speed of traffic going through the village and to a lesser extent the number of heavy vehicles going through the village.

Problems of parking were mentioned in 17 comments in a number of different ways, including limited or no parking possibilities in new housing areas, parking at the school, parking near the post office, parking on grass verges and parking generally obstructing the traffic.

Road conditions were a frequent concern, 16 comments mentioned the condition of the roads generally, but the highest number related to Main Street. The condition of verges and kerbs were also mentioned.

The condition of buildings within the Parish was also raised in 13 comments. People complained about the situation of the abandoned houses near the post office. It concerns people that new houses will not fit in with the existing style and therefore change the look of Main street. The neglected old school building was also referenced.

The situation of footpaths was also mentioned in 6 comments. Issues here have been the condition along the A1079, the road to Pocklington, no walking possibilities around the village and the overgrowing hedges adjacent to footpaths.

Noise issues were also raised in 3 comments, mainly by motorcycles near the industrial estate, but also from barking dogs.

Environmental issues were contained in 3 comments: grass cutting and tidiness, the wildlife area on Becksid and overgrown hedges.

Things they miss in the village/Parish were raised in 15 comments. These included the lack of a village shop and no support for children with the closing of the Kids Club. The lack of sport facilities for everyone was also raised.

Under social aspects, missing community spirit and the complaints about other people's efforts are mentioned in 6 comments. More information from the Parish on individual's work and more support for businesses were requested in 3 comments.

Other topics mentioned are problems with dog fouling (7), littering (6), the missing fair (6), poor street lighting (4), the location of the Cockerills, and the loss of agricultural land with it being used for building.

Apart from all these comments, 5 commented specifically that they did not see the need to complain about anything. A small number of comments (3) have been made which are not related to this question.

15.3 Are there any particular changes or improvements you would like to see carried out in the Village or Parish?

This question received 93 answers. These 93 answers had often more than one point to raise, therefore the total number of comments is higher than the 93. The main topics people raised were, very similar to question 15.2: traffic, parking, condition of roads, footpaths and buildings, environmental issues and missing facilities.

Most responses have been about the traffic, 19 people complained about the speed of traffic going through the village, the amount of traffic, junctions to the A1079, heavy goods and the situation at the school with suggestions such as a one-way system.

Problems with parking were mentioned by 14 people in several different ways, including the lack of parking possibilities in new housing areas, parking options at the school, parking near the post office, parking on grass verges and parking generally obstructing the traffic.

Road conditions were raised as a concern by 10 people, mainly on Main Street and in front of the post office. Comments were not just about roads, but also about the condition of footpaths within the village.

The condition of buildings, areas or the main village entrance were raised in 11 comments. People complained about the situation of the abandoned houses near the post office and the old school and the condition of Holborn estate. It was also suggested that the entrance of the village could be made more welcoming.

The situation of footpaths also received mentions: lack of walking possibilities around the village and the overgrown hedges blocking footpaths.

A large number of comments included missing amenities within the Parish, such as village shop, events for kids, better play equipment for the play area, allotments, events to bring people together, waste bins and a missing bakery or café.

Other topics include the issue of littering, poor street lighting, the establishment of a “No cold calling zone”, the location of the Cockerills, the work of the Parish Council and the removal of the wedding venue. A few comments had no complaints, while a similar number of comments were not related to this question.

15.4 Are there any issues or questions relating to the Village or Parish that you would like to have seen in this questionnaire?

This question received 40 responses of which 15 were “No”, some with additional positive comments.

The additional issues or questions referred to the following areas:

- Questions regarding the fair and/or feast in 2017 (5).
- Increased publicity/communication regarding Parish Council matters (2).
- Environmental questions, including trees, the Beck, wildlife corridors, litter and allotments (7).
- Social areas, lodge sites within the Parish, law enforcement presence, area of neighbourhood development plan, Boot & Slipper as important community asset (7).
- Transport issues, including parking, cycle track maintenance (4).

Appendix 8 – Results of the Public Consultation (1st September 2018 – 8th October 2018)

Questions, Suggestions and Comments	Answers Provided and Actions Taken
1 Does the Neighbourhood Plan become part of the East Riding Local Plan and have full local weight?	The two are separate documents. When the Neighbourhood Plan becomes adopted, Planning Officers will consult both documents in making planning decisions
2 How were the questionnaire response rates calculated?	An explanation was given that it was considered a fairer representation to base the response rate on households rather than population as it was evident that questionnaires were completed predominantly per household and not per person.
3 When will the Neighbourhood Plan be adopted?	Following the public consultation, the draft document will be reviewed and amended as necessary. It will then require Independent Examination and Referendum, which could take another year from now.
4 If Britain leaves the EU, how will this affect the Neighbourhood Plan?	The Neighbourhood Plan has been prepared according to the current situation. No provision can be made for uncertain future events.
5 Traffic enforcement needs to be encouraged.	The Neighbourhood Plan includes a policy on traffic management (Policy J).

|---|--|--|
| 6 | Grass banking and measures to reduce light and noise pollution to residents of Barmby Moor should be incorporated in any development of the western side of the Pocklington Industrial site. | Pocklington Industrial site is outside the Barmby Moor Neighbourhood Area and therefore cannot be included in this Neighbourhood Plan. The comment will be passed on to the Pocklington Neighbourhood Plan Steering Group for their consideration in the preparation of their Neighbourhood Plan, and to Barmby Moor Parish Council for consideration when comments are made to East Riding of Yorkshire Council concerning planning applications in Barmby Moor Parish. |
| 7 | The Neighbourhood Plan is a good document. | The steering group expressed their thanks and appreciation for the kind comment. |
| 8 | Local affordable housing should be supported. It is disappointing that the recent new housing development on the site the former St Catherine's Cottage and Jesfield dwellings are all to rent and not to buy. | The Neighbourhood Plan cannot dictate whether new housing should be for sale or rent. The East Riding of Yorkshire Local Plan sets out criteria for the provision of affordable housing. The Neighbourhood Plan Policy E supports new housing that satisfies the needs of the community. |

|----|--|---|
| 9 | Issues of flooding and water management are of concern from the new Pocklington Yapham Road housing development. | The development is outside the Neighbourhood Area although surface water from the development is discharged in to the beck that runs though Barmby Moor and therefore our Plan area. Recommendations were made by the Parish Council to the East Riding of Yorkshire County Council regarding the requirement for floor prevention in the village when the planning applications were submitted, and the comments were taken into consideration when planning permission was granted. |
| 10 | The Neighbourhood Plan has been well done and thanks expressed to the Steering group for all the hard work that had been done. | The steering group expressed their thanks and appreciation for the kind comment. |
| 11 | Could the current policy of protecting open spaces prevent any future needed development of Barmby Moor School? | The steering group agreed to review the currently proposed open space policy. |
| 12 | Support expressed for proposed policy of maintaining the gap between Barmby Moor and Pocklington. | Noted. |
| 13 | Concern expressed regarding the lack of affordable housing in Barmby Moor. | The East Riding of Yorkshire Local Plan sets out criteria for the provision of affordable housing. |
| 14 | Support expressed for proposed policies regarding a local shop and social/recreational provisions. | Noted. |

Questions, Suggestions and Comments

|----|---|--|
| 15 | Concern expressed about the speed of the traffic in Barmby Moor at the zebra crossing. | Traffic speed is controlled by Highways. However, the Neighbourhood Plan supports proposals that provide a reduction in the speed of traffic passing through Barmby Moor (Policy J). |
| 16 | Concern expressed regarding the size of developments in Pocklington and the impact on medical and educational services. | This is out outside the Barmby Moor Neighbourhood Area and cannot be included in this Neighbourhood Plan. The comment will be passed on to the Pocklington Neighbourhood Plan Steering Group for their consideration in the preparation of their Neighbourhood Plan. |
| 17 | New seat in bus shelter and new playground facilities appreciated. | Comment passed on to Barmby Moor Parish Council. |
| 18 | Cold calling signs requested for Back Lane. | Advice was given on how these can be obtained. |
| 19 | What is the purpose the development limit around Barmby Moor village? | Development limits identify the area within which development proposals would be acceptable, subject to complying with planning policies. They seek to prevent development from gradually extending into the surrounding countryside. |
| 20 | Is there a need for more housing accommodation for the elderly? | This was not identified as a need by the respondents to the Questionnaire. |

Questions, Suggestions and Comments

Answers Provided and Actions Taken

- 21 Concern expressed regarding the increased number of heavy lorries travelling down Main Street in Barmby Moor and the resultant vibrations experienced within the house.
- The Neighbourhood Plan supports proposals that provide a reduction in the volume and the speed of traffic passing through Barmby Moor (Policy J).
- 22 The existing wildlife areas are a mess.
- From the results of the Questionnaire 70% of respondents support the existence of the local wildlife areas in the Parish. The Neighbourhood Plan supports proposals that safeguard and enhance wildlife areas (Policy J).
- 23 Why has a weir been fitted to the beck adjacent The Green? Could this cause an increased flooding risk? Does this also present a drowning hazard?
- This is not really an item for the Neighbourhood Plan. However, it was explained that the weir was removable and was fitted by permission of the Parish Council to provide a constant depth of water in the beck during drought or low rainfall conditions to help the survival of aquatic animals and plants.
- The Parish Council did not consider that the weir would cause any significant overall restriction in the flow of water in the beck and in any case could be removed if that should occur.
- The Parish Council did not consider the weir to present any significant increase in drowning hazard as the beck can often be deeper than the amount held back by the weir.

Questions, Suggestions and Comments

- 24 The junction from Sutton Lane on to the A1079 is dangerous. I had to wait 20 minutes at the junction before being able to join the A1079 towards Pocklington.
- This has been raised several times by Barmby Moor Parish Council to Highways following complaints from residents over a long period, but Highways do not see that there are problems that necessitate action.
- The Neighbourhood Plan supports proposals that provide a reduction in the risk of vehicle collision and when accessing onto the A1079 and eases access onto the A1079 (Policy J).
- 25 The paddock and the moat to the Manor House should be protected.
- This is private land. The Manor House and its grounds lie within the Barmby Moor conservation area and the special nature of these items will be considered according to conservation planning policies.
- 26 The Neighbourhood Plan Conservation Area policy refers to replacing trees where removed. What about outside the conservation area?
- The Steering group agreed to review the proposed Environment Protection Policy I to include this replacement tree provision.
- 27 The document is very good and reflects well the views of the residents. Thanks was given to the steering group members for all their hard work.
- The steering group expressed their thanks and appreciation for the kind comment.
