

# Barmby Moor Neighbourhood Plan

## Why do we need a Neighbourhood Plan?

Do you care about:

1. Whether or not there should be more housing in our area and where it should be located?
2. What type of housing should be provided, and what should they look like?
3. Whether there should be more local employment opportunities?
4. Whether we should protect our green spaces from future potential development?
5. Whether we should protect the character of the village and important features?
6. Helping to guide the direction the Parish Council takes in formulating its policies and decisions?

If you answer 'Yes' to any of these questions, you are agreeing that we need a Neighbourhood Plan.

## What is a Neighbourhood Plan?

A Neighbourhood Plan is a planning document written by people living and working within a neighbourhood and gives them the opportunity to create a vision and guide the future development and conservation of our area.

The Plan will contain planning policies that will be used when East Riding of Yorkshire Council determines applications for planning permission. It has to fit with the wider planning framework for the East Riding (the East Riding Local Plan) and cannot necessarily prevent any development from taking place. We can however, produce planning policies to shape the future of our area and manage development in line with the needs, priorities and aspirations of local people.

## Why do I need to complete this Questionnaire?

Engaging with the local community is essential to the process of neighbourhood planning, as everyone can use their local knowledge and understanding of local issues to help form the Neighbourhood Plan.

Although the development of the Neighbourhood Plan will be led by the Parish Council it is a document written by and on behalf of the people living and working in our community.

By completing this questionnaire, you are telling us what is important to you and helping us produce the policies appropriate for our community. Together we are creating our vision and our guide for the future of our community over the next twenty years.

## Who can complete this Questionnaire?

Anyone living or working within our Neighbourhood Area can complete the Questionnaire. We would like everyone in each household to complete the questionnaire, not just one response per household.

## From where can I obtain copies of this Questionnaire?

One copy of the Questionnaire will be delivered to every household and business along with the June copy of the Parish News magazine.

Additional copies of the questionnaire can be collected from Barmby Moor Post Office, the Boot and Slipper public house, Hewson and Robinson petrol station, downloaded from the Parish Council's website at [www.barmbymoor.net](http://www.barmbymoor.net) or requested from the Parish Clerk by email to [vivcox@talktalk.net](mailto:vivcox@talktalk.net) or by telephone on 01759 302290.

## By when do I need to return the completed Questionnaire?

We would be really grateful if you complete and return the questionnaire as soon as possible so we can commence analyzing the results straightaway. The deadline for returns is **15 July 2016** but please do not put off completing and returning the questionnaire – do it now!

## How do I return the completed Questionnaire?

Please see Page 9 for details on how to return the Questionnaire.

## And finally

We would like you to answer Question 1.1 for the reasons stated in the question, but do not feel that you have to answer all the other questions. You can just answer those to which you wish to give your opinion or only those that you feel affect you.

# Useful Information

<b>Our Neighbourhood Area</b>	The extent of our Neighbourhood Area is shown on the Neighbourhood Area Map in Appendix A. The area constitutes the majority of the parish with the exception of the Pocklington Industrial Estate and adjacent areas as these are already designated within Pocklington's Neighbourhood Area. Neighbourhood Areas cannot overlap. Our Neighbourhood Plan can only include issues relating to our Neighbourhood Area.
<b>Barmby Moor village boundary</b>	The extent of the village boundary is shown on the Policies Map in Appendix B. The boundary is also known as the 'Development Limits' for the village.
<b>Countryside</b>	The East Riding Local Plan regards land outside the Development Limits as 'Countryside'.
<b>Barmby Moor Conservation Area</b>	Much of the centre of Barmby Moor village is a conservation area. The extent of the area is shown on the Policies Map included in Appendix B. An appraisal of the conservation area can be downloaded from our Parish Council website at <a href="http://www.barmbymoor.net">www.barmbymoor.net</a> .
<b>Barmby Moor Open Spaces</b>	Barmby Moor currently has seven 'Open Spaces' as identified on the Policies Map in Appendix B. (Flat Lane playing fields, Barmby Moor School grounds, Holbern Estate, the Children's Playground, St Catherine's Church grounds, the Pond and the area of land between Briarsfield and Keldholme).
<b>Green Spaces</b>	Providing a space is close to the community it serves, be special to the local community and cannot be an extensive tract of land, it could be designated as a 'Local Green Space' meaning that if designated it would then receive extra protection equivalent to Green Belt, ruling out new development other than in very special circumstances.
<b>Village Greens</b>	Barmby Moor has 'Village Greens' as shown on the Village Greens Map included in Appendix C. Village Greens are covered and protected under statute and do not form part of this Neighbourhood Plan.
<b>The 'Gap' between Pocklington and Barmby Moor</b>	The East Riding Local Plan states that the gap between Pocklington and Barmby Moor serves an important role in maintaining the individual characters of the settlements by preventing coalescence and that it is policy to maintain the physical separation of Pocklington and Barmby Moor.
<b>Supported development within the village</b>	The East Riding Local Plan does not contain any specific allocations for development in the village or a specific housing target. However, the East Riding Local Plan supports new housing, usually comprising a single dwelling (known as 'infill' development) and affordable housing for local people within the village boundary where it does not detract from the character and appearance of the village.
<b>Supported development in the conservation area</b>	The East Riding Local Plan supports development that preserves or enhances the special interest of our conservation area.
<b>Supported development in the 'Countryside'</b>	The East Riding Local Plan only supports specific development within the 'Countryside' that is needed to help maintain the vibrancy of the village, and where the development either reuses previously developed land or does not involve a significant loss of best and most versatile agricultural land. Examples of supported development include: new dwellings of exceptional quality or of truly outstanding innovative design; affordable housing for local people; agricultural or other rural-based occupational dwellings (subject to an agricultural occupancy condition); employment uses; energy development; and sports, equine, recreation, community facilities and tourism development.
