

# £99 Insulation Scheme

Did you know that an uninsulated house could be costing you £350 per year more to heat than an insulated house?

You could insulate your home with cavity wall and loft insulation for £99 for each insulation

To book your free survey visit [www.heat-insulation.co.uk](http://www.heat-insulation.co.uk) or telephone (01482) 588591

**LIMITED TO A FIRST COME, FIRST SERVED BASIS**

ScottishPower working in partnership with East Riding of Yorkshire Council to fund energy efficiency measures under the Energy Company Obligation to help householders reduce their energy consumption and save money on their bills.
