

# BARMBY MOOR PARISH COUNCIL

Contact Parish Clerk: Mrs. Vivien L.E. Cox. Tel: 01759 302290

Email: ParishClerkBMPC@gmail.com, Website: <http://www.barmbymoore.net>

**Future meeting dates for 2020: 2 July, 6 August, 10 September, 22 October and 3 December.**

## Parish Update

**BIG THANK YOU to Lauren Gibson and her team of volunteers** – who have formed the Barmby Moor Community Group / Coronavirus Hub for this parish. Lauren is willing to help with your Shopping, Prescriptions, Emergency supplies, Mailing and Pet care. If you have any questions or need any help, please call Lauren who can make sure a trusted volunteer or herself will be in contact. Please telephone: 07860584862.

**Coronavirus keeping up to date** – The Local Government Association has published a very useful list of different government advice sources at <https://www.local.gov.uk/coronavirus-information-councils> . We recommend taking a look at Government advice at regular intervals. However, if you know of people considered vulnerable and may require help please contact members of the Parish Council or Lauren Gibson. A card from the East Riding of Yorkshire Council giving information on who to get in touch or contact is available with this magazine.

**Annual General Meeting and the Annual Parish Meeting** – had to be cancelled due to the COVID-19 pandemic. Once restrictions have been lifted future meeting dates will be announced.

**Village Seats and bench** – you may have noticed that the Parish Council has installed two seats and one bench in Back Lane, Keldspring Lane junction and Beck Side, near the wildlife area. These have been requested by Parishioners who like to walk around the village but need to rest. Please use and enjoy our lovely village.

**VE Day Celebrations** – so sad that the celebrations had to be cancelled, however it was lovely to see all the bunting outside homes in the parish.

**Willow Trees at Beck Side** – Northern Powergrid will be pruning the willow trees at Beck Side on the 17 August 2020. The electricity will be cut off that morning, but nearby residents will be notified nearer the time.

**Telephone Kiosk/Library** – sorry this is closed at the moment. Once restrictions have been lifted maintenance works will be carried out and new books available for you to read.

**Potholes** – most of the potholes in the village have been repaired. If you can see dangerous holes in the road, please get in touch.

**Neighbourhood Development Plan** – the steering group had a successful meeting with East Riding of Yorkshire Council. ERYC suggested a few minor tweaks to the draft document. The document will then be ready for the next stage of formal consultation. A copy of the latest Plan is available on the Parish Council's website.

**Play Park** – the Captain Mannering play equipment had to be repaired in March. This was carried out promptly by Sovereign Play Equipment Ltd.

**Emergency Plan** – has been updated and can be found on the Barmby Moor website.

**Church footpath (Beck Side) at the bottom of Hall Spout** – ERYC will be repairing the footpath damaged by tree roots. Unfortunately, it is low on their list of priorities and will probably be repaired in the next financial year.

**Wouldn't it be great if dogs cleared up after themselves!** – There has been an increase in dog fouling in the village. It is up to the responsible owner to clean up after their dog.

**And finally, a big thank you** – a Barmby Moor resident has nominated Briarsfield residents John MacArthur and Charlie Watson for recognition of their efforts in keeping the beck clear of debris at the Briarsfield / Keldspring junction. They are out in all weathers to prevent flooding and keeping the beck flowing and looking attractive. Over the years they have also regularly cut the grass on this verge and have even seeded it and weeded it on occasions when vehicles have driven over it. They have planted flowers and shrubs in the summer which adds to the attractiveness of our village. The Parish Council would like to thank John and Charlie for all their efforts, which are totally voluntary and are very much appreciated.

*To help stop the spread of the Coronavirus (COVID-19), stay at home as much as possible and try to avoid close contact with anyone you do not live with.*

**Stay Safe**
